FAX RECEIVED

APR 28 1998

GROUP 2600

Attached are Figures 8 and 9 for U.S. Serial No. 08/851,200. The corrections have been circled as the red ink does not copy or fax well. The change is as follows: **LM 386** is now designated as **LM 386N** in each figure. Please call Mr. Mattson if you have any further questions. Thank you for your assistance with this matter.
